

The United Spaniel Association. Clumber spaniels.

I firstly want to thank everyone who entered their dogs to be assessed by me. It was a privilege to have the chance to assess such lovely dogs who represented the breed well. All dogs on the day were well presented, including eyes and ears. I'm looking forward to seeing their progression in the future.

Puppy Dog/Bitch 4/0

Dawsons, Beskerby Flora Finching

Nice feminine bitch. Good clean eyes and ears, feminine head with a good scissor bite. Large deep chest with good bone structure well off for muscle tone over the shoulders, level top line. Well sprung ribs. Good muscle tone on the upper and lower thigh. Good bone ,stifles well bent. Moved well and with drive. Presented well. Likely to go far in the future. Well deserved Best puppy and Reserve Best of Breed.

L. Wareham's Tweedsmuir Moonflower.

Nice young feminine bitch. 7 months old, nice head with Clean eyes and ears. Good bite. Nice muscle tone on shoulders and neck. Good bone structure. Nice deep chest and good level top line. Moved well and with drive. Clean and presented well. Needs time to mature but will do well in the future.
