

Clumber Spaniel Eye Testing Clinic 2022

Sunday 2nd October from 10.00am

at North Muskham Village Hall

The Clumber Spaniel Club will be holding its annual Eye Testing clinic in conjunction with its Championship Show on Sunday 2nd October. Testing will be carried out by Robert Pontefract of Clear Ridge Veterinary Surgery, Stamford and member of the BVA Eye Panel. A full list of the fees is set out on the booking form. This clinic is open to all breeds but in the event of a high number of bookings, Clumber Spaniels will be given priority.

The Club recommends that all Clumber Spaniels being bred from should hold a current eye certificate. It also recommends that all other dogs should be tested at regular intervals to monitor eye health; this is recommended to be at 2, 5 and 8 years of age.

The Club will subsidise the cost for all Clumber Spaniels tested on the day whether or not they are owned by a Club member and the fees on the booking form include the subsidy. By accepting this subsidy owners agree that the Club may publish the results on its website, and use those results to build evidence about eye health in the breed. The Club also offers free tests for Clumbers over 8 years old.

For those unable to attend this session the Clumber Spaniel Club will refund £10 for each dog tested and owned by an existing member and £5 for each dog tested and owned by a non-member. To claim this subsidy, owners must send a copy of the eye test certificate to the Breed Health Coordinator and must be willing for the Club to publish the results, and to use those results to build evidence about eye health in the breed.

Please note: Dogs must have a functioning micro-chip and the dog's KC Registration Certificate must be presented at the time of the test for the vet to stamp to confirm the test has been carried out. Each dog will be allocated a specific time to arrive so that paperwork can be completed and drops can be administered approximately 20 minutes before the appointment for examination by the vet. The drops are designed to dilate the pupil to aid the examination of the back of the inner eye.

The venue is:

North Muskham Village Hall, Nelson Lane, Newark NG23 6HL

Please note payment must be made in advance and completed booking forms and fees should be sent to: Carol Page Mickleless, 20, Swanwick Lane, Swanwick, Southampton SO31 7HF

Further information about the arrangements for the test, and for details about payments by PayPal please contact Carol Page on 01489 589734 or email health@clumberspanielclub.org.uk

Bookings must be received by Thursday, 22nd September 2022
