

## **Club Show Sweden 4-5th of August 2023**

The Clumber spanielklubben celebrates 45 years as a club and this year our club show has some extras of everything. We hope as many as possible will come and celebrate with us.

We have invited Mrs Constance "Connie" Holt, kennel Companionways, USA to judge as she judged our show earlier in 1993 when we celebrated 15 years and held the 3rd international clumber seminar. We look very much forward to welcome Connie into our ring again.

We get together on friday evening to have some fun at the retrieving challenge where everything can happen. Cocos Retrieval cup, in which the fastest dog wins. All kinds of help is allowed (except punishment). We bring our own barbecuefood and drinks and after the cup, we eat together.

On Saturday the 5th of August it is show time. We have a big and nice table with prices for all. Everyone will also receive a jubilee gift.

After the show, we get together and celebrate the winners.

On Saturday evening, we get together to have a dinner. We will be served a bbq buffee which will cost 350 SEK/person. All beverage will be sold at the restaurant. We also have our annual clumber auction where you can contribute with your own clumber items. All the money from the auction goes to the club.

We do appreciate donations to the clumber auction.

We also do appreciate donation of prizes to the show

There are several choices of accommodations at Vilsta. Hotel, camping and cottages in different sizes. A few cottages and hotel rooms are reserved for us.

Entry to the show may be done from the form at our web site [www.clumber.net](http://www.clumber.net)

Last entry and pay date is sunday the 16th of July.
